

LIABILITY WAIVER

I \_\_\_\_\_ agree that the Tri Valley Church of Christ and the volunteers assisting me on \_\_\_\_\_ are here at my invitation. I hold them harmless from any damage that may occur while assisting me. I also recognize that in no way have I entered into a contract for services. I further recognize that I have asked this group of volunteers to assist me in my own personal project. I and the volunteers are not breaking any laws while performing the work requested. I also aver that I have the right to perform this work or have this work performed on my behalf.
